

# Troop 70 Holiday Greenery

Troop 70 has been providing fresh greenery for the holidays for 44 years. Proceeds fund the troop generally, as well as part of the scouts' journey to the National Jamboree every 4 years. We are the only troop in the USA to attend all US jamborees since 1950. 2010 is the 100<sup>th</sup> anniversary of the founding of the scouting movement in America and there is a Jamboree this next summer!
